PURE WATER AMAZING BENEFITS

Why pure water at your home?

+ CONFORT

Unlimited water in quantity and quality whenever you want. Just open the tap and enjoy.

+ WELLNESS

Use freshly pure water for drinking, cooking, washing fruit, or making coffee or ice cubes. Your food will improve their flavor.

+ SAVINGS

Direct flow allows you to obtain more water produced and less waste water.

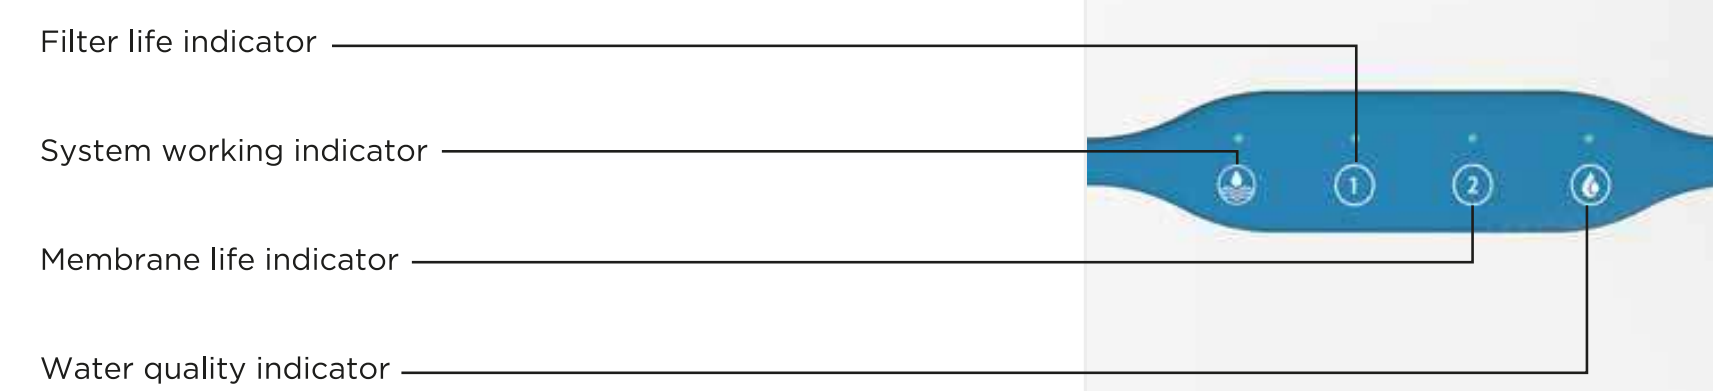

+ ECOLOGICAL

Reduce the environmental impact by using less plastic in your day to day.

Filters always as if new

The Kinetico Premier RO front LED panel makes it an intelligent device that adapts 100% to your needs. Its light and acoustic warning system informs you of the quality of the water, as well as the status of the filters.

premier RO

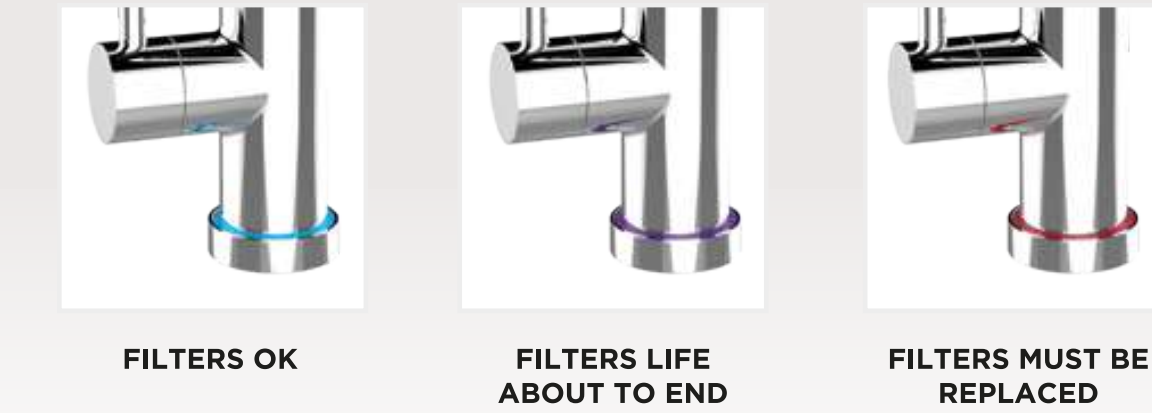

UNLIMITED WATER · WITHOUT TANK · SMART FAUCET

SMART FAUCET MAXIMUM PERFORMANCE MAXIMUM SAVINGS

The Kinetico Premier RO LED ring is designed to make your life easier. It notifies you the quality of the water, as well as the status of the filters. In this way, it helps you to ensure that your water is always ready to drink and that your equipment remains as it was the first day.

A system designed for your comfort

Magnetic front case so you can effortlessly remove it and easily access its interior.

Filters replacement in just 3 seconds. Rotate, remove and insert.

Why Kinetico?

50 50 years of experience

During fifty years, Kinetico has designed innovative water treatment systems to meet all needs.

5 5 years of warranty

The warranty of our equipments includes the repair and replacement of parts that may be defective within the indicated period.

National net

A network of distributors present throughout the country, close to you, available, professionals, receptive and specialists in water treatment.

Certifications

Our water treatment systems are the subject of numerous certifications and awards both nationally and internationally.

2:1 100% ECO FRIENDLY
2 liters of produced water for 1 liter of rejected water.

AUTOFLUSHING
Membrane automatic cleaning.

A compact and functional equipment

The size and shape of the Kinetico Premier RO make it the ideal appliance for any kitchen, no matter the shape and size. High performance without sacrificing design, versatility and ergonomics.

100% SUSTAINABLE EQUIPMENT

Unlike other reverse osmosis systems, the Kinetico Premier RO does not have a water reservoir. You can enjoy pure water according to your needs, which will come out of the smart tap uninterrupted, in quantity and quality. In this way, waste is not generated and plastics that pollute the planet are not used.

IMPROVE YOUR DAILY LIFE AND DRINK UNLIMITED PURE WATER AT HOME! FOR COMFORT, WELL-BEING, SAVINGS AND SUSTAINABILITY, OF YOUR HOME AND YOUR FAMILY

THE IMPORTANCE OF HYDRATION

Water is good for your body and health. That's why you always wish it is free of harmful substances. Kinetico Premier RO reduces substances such as microorganisms, heavy metals, pesticides, etc. by almost 100%. Only remains what you want.
